BREAKING NEWS

Patriot Taxiway Industries receives
AS9100C/ISO 9001:2008 certification from
Aviation Suppliers Association (ASA)
on February 9, 2013.

We are proud to announce that the Ted Stevens Anchorage International Runway 7R has recently installed Exel Composites' Frangible Masts. This runway approach system enables even the tallest tower at 106 ft. to have maintenance performed at ground level, insuring safety for maintenance personnel while meeting FAA AC 150/5345-45C.

Over 500 airports worldwide have installed Exel Composites' cutting edge technology in accordance with FAA and ICAO specifications. Take a look at Exel Composites Frangible Masts and Exel Composites Frangible Fencing.
